

Allowed Claims

Claims 26-28, 30 and 32 are indicated as being allowed. As stated herein, Applicants respectfully acknowledge and accept the indication of allowance of these claims.

Claim Objection

Claim 33 stands objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form, including all of the limitations of the base claim and any intervening claims.

Claim 33 is amended to include the subject space matter of claim 25 on which it had depended from. In view of this amendment to claim 33, Applicants believe this claim now stands allowed.

Conclusion

In view of the foregoing, Applicants believe that claims 1-9, 11-20, 22-24 and 33 are also patentable over the prior art of record and are in condition for allowance.

Respectfully submitted,
